SCOPE OF WORK DOMAINE D'INTERVENTION

Our services

- Deliveries, installation and disassembly of technological units
- Production, deliveries, installation and disassembly of piping systems acc. **PED 2014/68/EU** or **ASME**
- Production, delivery, installation and disassembly of steel structures acc. **EN 1090-2, EXC 2**
- Production, installation and complex reconstruction of pipe racks
- Production and installation of the vessels and pressure tanks
- Welding of structural and special steel acc. **ČSN EN ISO 3834-2**
- Shut down works
- Industrial transfer of high-volume technological equipment (production lines, packing lines, or special many-tons equipment)

Subcontracting of services

- Deliveries and installation of the electrical cables and instrumentation (I&C)
- Sandblasting, painting, and hot-deep galvanizing
- Thermal and sound Insulation
- Scaffolding, equipment for work at height, mechanisms (cranes, platforms, etc.)
- Civil works
- Deliveries and installation of plastic piping and products of PP, PE, PVC
- Deliveries of special technological equipment
- Non-destructive tests
- Machining

Nos services

- Livraison, installation et démantèlement d'unité technologique
- Production, livraison, installation et démantèlement de réseaux tuyauté selon **PED 2014/68/EU** ou **ASME**
- Production, installation et démantèlement de structures acier selon **EN 1090-2, EXC 2**
- Production, installation et reconstruction complexe de rack de tuyauterie
- Production, installation de récipients et de cuve sous pression
- Soudure de structure et d'acier spéciaux selon **ČSN EN ISO 3834-2**
- Travaux pendant arrêt usine
- Transfert industriel à grand volume (ligne de production, ligne de conditionnement ou équipements de plusieurs tonnes)

Notre réseau de sous-traitances

- Livraison et installation de connexion électrique et instrumentation
- Sablage, peinture, et galvanisation à chaud
- Isolation thermique et phonique
- Échafaudage, équipement pour travaux en hauteur (Plateforme, grue, etc.)
- Génie civil
- Livraison et installation de réseaux tuyauté plastique PP, PE, PVC
- Livraison équipement technologique spécifique
- Test non destructif
- Usinage

CERTIFICATES / CERTIFICATIONS

CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

Registration number 1017 – CPR – 14.631.673

In compliance with Regulation (EU) No 305/2011 of the European Parliament and Council of 9 March 2011 laying down harmonised conditions for the marketing of construction products and repealing Council Directive 89/100/EEC, this certificate is issued for the construction product:

Kind of product: Steel construction parts, components, kits and structures

Scope of FPC: Design and manufacture of steel construction parts, components, kits and structures execution class to EXC 2 according to EN 1090-2

CE marking method: 2, 3a, 3b according to EN 1090-1+A1, table A1

Marketed by manufacturer: Works L & W group s.r.o.
Pohřebčická 225, CZ - 533 45 Opatovice nad Labem
Company Registration No.: 28817630

Manufacturing plant(s): Works L & W group s.r.o.
Pohřebčická 225, CZ - 533 45 Opatovice nad Labem

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1090-1:2009+A1:2011

according to systems 2+ were assessed, and that

the factory production control is in compliance with relevant requirements.

Start of validity: Start of validity of this certificate is from 28.06.2022 and the certificate remains valid as long as the harmonized standard, construction product, procedures of assessment and verification of constancy of performance and/or the manufacturing conditions in the plant are not modified significantly or if the notified body for certificate of FPC does not suspend or terminate validity of this certificate.

CERTIFICATE OF SUPERVISION

registration number 15.302.743-1

Inspection and supervision of the manufacture of pressure equipment (module A2)

issued to, in accordance with section 2 of Annex III of Directive 2014/68/EU of the European Parliament and of the Council implemented by Act No. 90/2016 Coll., as amended, and Government Decree No. 219/2016 Coll., as amended

manufacturer:

Works L & W group s.r.o.
Pohřebčická 225, CZ-533 45 Opatovice nad Labem

for category II of pressure equipment.

Pressure vessels
Pipes
Assemblies exposed to flame
Assemblies otherwise heated up
Other types of assemblies
Pressure equipment
Safety and pressure accessories

Type of pressure equipment:

Site of manufacture: Works L & W group s.r.o.
Pohřebčická 225, CZ-533 45 Opatovice nad Labem

Parameters: PED 2014/68/EU, Annex II, Table 1, 2, 3, 4, 5, 7, 8, 9 (depending on the current parameters (PS, TS, V, DA, fluid))

We hereby certify that the product in question meets the basic requirements of

EUROPEAN PARLIAMENT AND COUNCIL DIRECTIVE 2014/68/EU

This certificate has been issued for the purpose of issuing a declaration of conformity of the product with the aforementioned technical regulation. Details of the evaluation and a list of important parts of the technical documentation are provided in the Report on Unannounced Visit no. 15.302.743-1, which forms an integral part of this certificate.

This certificate is valid for 3 years from the date of its issue, and its validity is subject to regular unannounced visits every 6 months from the last visit.
